Merchandizing / DROP SHIP program offer: Business Plan/ Program Details

We are excited to offer you this unique and irresistible business opportunity. As a direct manufacturer of **Aprons, Bags Towels & Bandannas**, we could offer the lowest possible prices in the industry. Best of all **"NO RISK" & "NO INVESTMENT"** for carrying our products.

After serving Promotional Industry through a very few selected Promotional Suppliers, we have decided to expand our distribution channels and are offering our products to more **ASI, SAGE and PPAI Promotional Suppliers**.

Some of the well-known Promotional Suppliers are already taking full advantage of this exciting program, including **Evans, S&S, Southern Umbrella** and many more.

Here are few of the advantages of carrying our products:

- An amazing up to **25% gross margin** on our products.
- No need to carry deep inventories, we will carry it for you.
- No need to forecast purchases 6 months in advance.
- No time zone differences, as oppose to ordering from overseas.
- No need to deal with **Custom Clearing Houses** and paying **Custom Duties**.
- No warehousing costs.
- No large working capital tie ups.
- **"FREE SHIPPING"** on any order with 30 cases or more.
As an added incentive, all web orders 299.00 or more will receive **FREE SHIPPING**.
- Courteous and dedicated Account Reps.
- Your customers have more products to choose from.
- Goods can be shipped within 24 hours, during weekdays.
- **"SHIP BLIND"** option available so you never lose a customer.
- Subsidized Marketing material available for qualifying buyers.
- You are dealing with a well-established company that is already supplying to several well-known **ASI, Sage & PPAI Promotional Suppliers** and knows the industry very well.
- Generous credit terms for approved buyers.
- **A FREE product Sample Kit** will also be provided. That may be displayed in your showroom or the trade shows.
- We are confident that after taking a look at our Supplier's Pricing Program, you will take advantage of this attractive offer, and add a new line of **profit generating products** to your offerings.
- You've got nothing to lose, we are taking all the risk!

Again, with this plan you really do not have to do much marketing. Just show our products on your website, catalogs and flyers. "No Risk & No Investment for carrying our products".

Why all this? Because we are very confident, this will be a win-win program for both of us!
